INTRODUCTION

BHAVIKA PROJECTS was founded in 2008 with aim of providing the best services & high-quality of construction work for local & national clients.

BHAVIKA PROJECTS is a one stop solution to clients of all types of construction work. Our constant focus remains to provide best possible services using latest techniques of construction using emerging new international standards of construction.

BHAVIKA PROJECTS is equipped with experienced technical and supporting staff, sufficient construction machinery & tools, and own shuttering materials, scaffolding material etc. and the teams of sub contractors required for the construction.

BHAVIKA PROJECTS also aims to work for the satisfaction of clients and completing the works. All our completed works speak of quality and we believe that achieving quality of work is a continuous process.
